MONESSEN MEN MADE VICTIMS

Man With Stolen Money Orders Does Good Business Across River

SUMS RUN FROM $20 TO $50

In his efforts to make a clean sweep along the Monongahela valley the stranger who last week visited Charleroi and collected money on stolen money orders which were valueless, made a stop at Monessen and succeeded in doing a better sort of business there than he did here. The following from the Monessen Independent explains:

Local merchants have been bumfoozled out of some good hard cash by the operations of a slick stranger who presented himself here a few days ago. He was armed with a bunch of postoffice money orders stolen from the postoffice at Leonarda, N. J and he proceeded to turn them into money.

He visited the jewelry stores of B. E. Brown, E. M. Moyer and J. Layman and Son and after purchasing some articles of jewelry presented a money order signed and in every way apparently in payment of the bill. In each case the jeweler accepted the order and gave the amount above the bill of goods in cash. When the money orders were presented at the postoffice, they were declared "No Good." Postmaster Jeffries had received notification from the department at Washington that blank money orders had been stolen from the Leonarda office and that should they be presented at any office for payment they would be forgeries.

The man presented himself at the Monessen Savings & Trust company and asked that an order be cashed, but he was turned down. He then went across the street to Meyers Brothers and Mr. Meyers was told by the stranger that he was a traveling man and that he had been turned down at the bank for money and that he needed it badly. He identified himself with transportation and letters and his order was cashed. The stranger then thanked Mr. Meyers and said that he would purchase some small articles which he did and paid the bill out of the money he had obtained.

The amounts obtained from the local merchants range from $20 to $50. It is believed other orders will turn up.

The money orders were made out to A. C. Cox. James B. Hardy was the remitter. They were signed by James Anderson as postmaster. The date on the money order was October 15 and they were made payable to Cox at Pittsburg.

FLAGS FLYING, ITALIANS LEAVE PITTSBURG FOR WAR

Reservists Follow Others From District—Italy to Take Care of Families.

With flags of the United States and their native land flying, 400 Italian reservists left Thursday night from Pittsburg on a Pennsylvania Railroad tram for New York, where they will embark for Italy and the scene of war.

The men follow several other parties which have left the Pittsburg district within the past few days. Every man was tagged so there would be no loss of time in dealing with the Immigration Department's agents at New York. It was said the Italian government in addition to paying the transportation of the men would look after the families of those who were called into military action.

ANTICIPATE BIG SUFFRAGE VOTE

Fate of Equal Franchise Amendment to be Determined Next Tuesday

LEADERS SEEM CONFIDENT

Next Tuesday the fate of long campaigns in favor of woman suffrage will be decided in three of the thirteen original states, Pennsylvania, New York and Massachusetts.

In Pennsylvania the advocates of suffrage close their efforts with a feeling of quiet confidence that the amendment to the constitution will be adopted. The state has been thoroughly organized by the suffrage forces. There is every assurance that the vote on the question will be large—much larger than that ever before cast on a constitutional amendment. All over the state men who are leaders of thought are avowed advocates of the suffrage cause. Whatever opposition there is comes almost entirely from a few interests inherently opposed to women voting.

All these conditions, and many others to the minds of women suffrage enthusiasts each one highly important in itself, indicates the adoption of Amendment No. 1. Many political observers of long experience agree with this view.

The New Jersey election was a turning point in the Pennsylvania campaign. For months at the Harrisburg headquarters of the Pennsylvania Woman Suffrage Association and in county and community suffrage organizations all over the state, a steady constructive campaign, which had for its primary purpose carrying the suffrage amendment to the individual voter has been going on.

The lessons of the New Jersey election were carefully studied. It was discovered, for instance, that the success of the opposition in that state was due largely to deceptions practiced upon the labor vote and the negro vote; to organized violation of the election laws, corruption and coercion of voters and the systematic opposition of party organization. Steps were taken at once to prevent the use of these methods in this state and to procure the arrest and punishment of any who attempt them. To the credit of the men of Pennsylvania there is no indication that the New Jersey tactics ever were thought of in this state.

Another feature of the New Jersey election that is having a pronounced effect in Pennsylvania is the defeat of two amendments in addition to that on suffrage. All three went down before the assault of the enemies of suffrage. This has alarmed the friends of the other three amendments which will share Tuesday's ordeal with the suffrage amendment. It is realized that all four Pennsylvania amendments will also stand or fall together. This naturally has resulted in a well defined movement to put them all through together and it has powerfully discouraged the opponents of suffrage. Public opinion has also served notice that the opponents of suffrage will be held responsible for the defeat of any of the amendments and this throws upon these anti-suffrage forces a responsibility for the financial stability of the city of Philadedlphia and the constitutionality of all the workmen's compensation legislation that has been passed or will be passed in this state.

QUICK DISCOVERY OF FIRE PREVENTS LOSS

Lightning Causes Blaze at Home of Michael Dooley, But Resultant Thunder Arouses Occupants and Heavy Damage is Prevented

Lightning started a fire at the home of Michael Dooley at Dunlevy Thursday midnight that had not it been accompanied by a terrific clap of thunder might have been attended with heavy loss. The thunder tended to waken the sleeping occupants of the home so that the fire was immediately discovered and with the help of neighbors extinguished.

The lightning struck wires leading into the Dooley home. A hole was melted in a gas pipe and the gas set on fire all by the same flash. All members of the family were in bed at the time but the thunder stirred them. They noticed the brilliant flash of light in the house and immediate discovery of the fire followed. Neighbors were called. With others Jack Barrass by the use of pails of water extinguished the one fire. The gas was shut off. Then Barrass tore up some rugs and flames were discovered eating at the rafters.

Some damage was done to the house and the furniture but it is slight.

HICKORY HIGH SCHOOL ONE OF HIGHEST CLASS

Newly Erected Institution One of Best Arranged and Equipped in Country—Attention to Vocations Given.

The new Hickory Vocational High school at Hickory, this county, will be formerly dedicated Wednesday, November 10. The exercises will be carried out in the auditorium of the new building. Afternoon and evening sessions will be held and a number of addresses by prominent speakers made.

Among those who are slated for speeches on this occasion, are Dr. Frederick W. Hinitt, president of Washington and Jefferson college; Dean Watts of Pennsylvania State college; Dr. William Davidson supervisor of the Pittsburg schools and S. R. Baker, his assistant and Attorney A. T. Criss of the Pittsburg Board of Education.

The new school building at Hickory is said to be one of the finest in the eastern part of the country. Z. M. Smith, supervisor of agriculture in the state of Indiana, visited the building recently and said he had never before seen anything like it for completeness.

STATE BUILDING MODEL HIGHWAY OF CONCRETE

Economical and Durable is New Road Upon Which Work Has Been Started in Eastern End of State—Maintenance Cost Low.

The Pennsylvania State Highway Department is constructing a road between Allentown and Easton under processes so exact and scientific that the taxpayer would be deeply interested had he the opportunity to observe this modern method of building a durable road. The road in question is to be a concrete thoroughfare 16 feet wide. It runs from Allentown to Easton via Bethlehem, thus connecting three important cities

The construction of this road will represent the highest standard of modern engineering practice, but it will be built as economically as possible. This will be facilitated through the use of mechanical appliances and road machinery of the most modern type as well as the economical distribution of all materials and equipment. But notwithstanding these elaborate engineering preparations and the superior quality of the road as it has to do with durability and low maintenance, it is not intended as a particular road for a particular place, but will be of a type adapted to less important thoroughfares. The Highway Department intends to demonstrate that the methods employed are so thoroughly practicable as to be applied to any contract job.

When finished the road will consist of a series of indestructible concrete slabs of large dimension. The surface of the slabs in a road of the kind is so even and the concrete so impervious that little slope is required for drainage. This means that the road has a very flat crown, which makes every foot of surface available for traffic. Everybody who has seen a concrete sidewalk will understand why concrete roads, which are much thicker and stronger than sidewalks, cannot be transformed into mud or dust and why it is impossible for washouts to occur on roads of this type. A torrential rain may destroy a macadam road within an hour, whereas, it would merely cleanse a concrete road and tend to increase its strength, as concrete improves in contact with water.

Concrete roads are not only designed to meet traffic conditions of all kinds at all seasons of the year, but also include another economy. This is extremely low maintance. The average maintenance on concrete roads, taking the country over, has never exceeded $30 a mile a year and the thorough and efficient manner in which the Easton-Allentown road is being built should put it in this economic class.

HARD CONTENDER TO FACE CHARLEROI HIGH SATURDAY

California Normal Squad to be Here In Full Strength—Charleroi Stars Recover From Hurts.

In the California Normal team Charleroi high school tomorrow afternoon at 2:30 will face one of its hardest contenders on the home ground this season. Charleroi is not rating the Californians lightly and will send in the regular team to face them and to fight out the struggle. Those who last week were on the hospital list have almost entirely recovered from their injuries and this will mean Charleroi's dashing backfield and stout line will be in better shape than ever for tomorrow's gruelling struggle. Mirsch and Lynn Lowstuter will be back at the halves, with Stahlman at fully and Captain "Chuck" Lowstuter at quarterback. The line will be the same that last Saturday faced Uniontown.

TAKING CARE OF THREATENED GIRL

Juvenile Court to See to it That Deep Laid Plot is Not Carried Out

STORY IS SENSATIONAL ONE

Because of an alleged plot to spirit her out of the country before the time came for her to tesstify in court against the man who is claimed to have wronged her, Mary Suliman of Monongahela was Thursday placed in charge of the Juvenile court by Alderman R. L. Elwood to be safeguarded until the case in which she is concerned comes up in criminal court in November. Thursday afternoon the girl was taken to Washington where she will be kept in the detention rooms of the Juvenile court.

Alderman Elwood's action follows the discovery of a plot against the child. Some time ago Louis Curisco, section foreman on the M. & W. branch of the Pennsylvania railroad was held for the November term of criminal court without bail on the charge of assaulting Mary Suliman.

Soon after Curisco was taken to the county jail his friends began their activities at Monongahela. So far as Alderman Elwood has been able to ascertain, several attempts have been made to get rid of the Suliman girl so that she would have no chance to tell her story when the case came up. As soon as he found the facts in the matter, Alderman Elwood took steps to have her protected by the Juvenile court and Thursday succeeded in putting his charge in a place of safety until the case is called in court.

HALLOWE'EN NEAR; PORCHES CHALKED

Boisterous Conduct Characterizes Preliminary Celebration on Hill

PLANS LAID FOR MONDAY

Chalked porches and sidewalks, soaped windows and the juvenile with the inevitable tic-tac and sacs of corn have all given evidence of the near approach of Hallowe'en. In the hill sections testimony of a far more conspicuous nature has been offered. There the unrestrained boisterous spirit of celebrants has brought on actual property destriction.

It is stated that window breaking has been one of the accomplishments of a supposed gang of youngsters of the hill district. One property owner will have to replace a leaded window, one of the most valuable and costly kind by the way, as a result of the juvenile propensity for doing things. He lives on Meadow avenue.

The police are watching to prevent acts of destruction being performed this Hallowe'en season but Burgess Woodward has not yet delivered any note of warning to prevent the celebrants from going too far.

Next Monday Hallowe'en will be formally observed and it will be a day given up to a good program. It will be an affair for maskers and boisterousness will be discouraged.

MISSION CIRCLE MEETS; GOOD PROGRAM IS GIVEN

Members of the Mission Circle of the First Baptist church were entertained at the home of Mrs. J. L. Reeves on Fallowfield avenue Thursday afternoon, Mrs. Reeves, Mrs. C. C. Holyfield and Mrs. B. D. Blaker served in the role of hostesses. The president of the society, Miss Sarah Braden had charge of the program. The discussion of the book "The King's Highway" was taken up and two papers presented, one by Mrs. Harry P. Jacobs and the other by Mrs. Herbert Jacobs. Reports of a recent Baptist convention in Pittsburg were given by Mrs. W. G. Carl and Miss Braden. Mrs. Floyd Chalfant contributed a piano solo. Mrs. James Kearns was elected vice president of the circle. Mrs. C. C. Wright was named temperance superintendent and Mrs. Floyd Chalfant superintendent of the Light Bearers society. Mrs. J. L. Reeves and Mrs. Chrissie Finch were named the visiting committee.

MASQUERADE SOCIAL HELD BY CHRISTIAN ENDEAVOR

A masquerade social that was attended by 150 people was held at the First Christian church Thursday evening by the Christian Endeavor society. The Sunday school room was gaily decorated for the occasion. Games and music were the diversions of the evening and a Hallowe'en lunch was served by the committee in charge of the social.

LEARN ENGLISH

The federal bureau of [illegible] has issued a poster addressed to foreign-born residents of the United States who can not speak English, says an exchange. It is printed in Polish, Lithuanian, Yiddish, Bohemian and Hungarian and urges the people of other speeches among us to learn English and prepare to become citizens. "It means a better job. It means a better chance for your children. It means a better America," the poster declares.

At the gateway of American opportunity in the fullest sense stands the language of America. Those who do not understand it must enter by some sort of side entrance which opens on a much narrower prospect for themselves and probably their children. The first duty of the man who expects to make this country his home is to learn English. The best investment of time that an immigrant can make is in the study of the language The "learn English" propoganda should be carried to every nook and corner of the land.

"High school boys who go to and from school smoking cigarets have a look truuly intellectual," remarks an exchange. And by the same token adds the Washington Reporter sarcastically ,boys and young men who attend schools of a higher grade than a high school are given a wonderfully studious appearance when their faces are framed in a haze of smoke, whether from cigaret or pipe.

One of the best evidences of prosperity is offered by the Pennsylvania Railroad in its statement showing the large decrease within a period of a few months of the number of idle cars. There are not many now in the shops, and all the time the number is decreasing. Business is a complex thing; but there is no better index to true conditions than the railroad lines.

COUGHED CONTINUALLY

Day and Night—Man Says Nothing Helped But Vinol.

That statement does not surprise us. We have told the people of Charleroi many times during the last ten years that Vinol is the greatest remedy for chronic coughs and colds that we ever sold. Mr. Dunning says:—"I took a heavy cold which settled into a chronic cough. It seemed as though I coughed continually day and night, so I could not sleep. I was all run-down and so weak I could hardly keep about. I tried different cough medicines but seemed to get worse instead of better. I went to the drug store and got a bottle of Vinol. Before it was half gone I was better and its continued use cured my cough built me up and I am feeling fine." Benj Dunning, 208 Tenth Avenue, Scranton, Pa.

Vinol is not a palitive like cough syrups, but it is a constitutional remedy for coughs, colds and bronchitis, which removes the cause and stops the cough and the recovery of Mr. Dunning was due to the healing medicinal extractives of fresh cods' livers without oil, aided by the strengthening revitalizing effect of tonic iron and beef peptone which are contained in Vinol.

Notice to Carpenterss

All members of Charleroi Local Union No. 1044 are hereby notified that the meeting will be at 6 o'clock Monday evening, November 1, 1915, instead of regular meeting time.

HUNTING CONTEST TO BE FOLLOWED BY A SUPPER

A hunting contest that will end in a rabbit supper will be conducted by the Valley Echo Commandery, Knights of Malta next Monday. Two teams have been selected for the event. I. P. Hepler will captain one team and the other will be captained by Ward Hutchison. Each side is composed of ten members. The losing team will have to serve the other at the Tuesday supper.

BENEFIT PLAY TO BE GIVEN FOR HOSPITAL

Rehearsals are being held for a benefit performance, "Facing the Music," a comedy which will be given at the Charleroi high school auditorium November 11 and at the Monessen high school auditorium November 12 by home talent under the auspices of the Charleroi Ladies' Auxiliary. James S. Russell will direct the performance and the cast will include Miss Amelia Patrick Miss Cecelia McDermott, Mrs. Willis McCook, John Williams, Hugh Smith, John Lavrinc, James S. Russell, Horace Nutt and Bannister Roberts. In addition to the perfromance vaudeville acts will be given.

LAST YEAR'S CHESTNUTS ARE SEIZED BY OFFICIALS

Deputy United States Marshal Frank Beatty at Pittsburg Thursday seized a little more than a ton of chestnuts in commission houses in the city on the oath of William E. Walsh, pure food inspector, who swore the chestnuts were unfit for food. Backwardness of the season, it was stated had prompted dealers to offer last year's chestnuts in the market.

GOES UNDER CAR; GETS UP AND LIMPS AWAY

When he attempted to hop the M. & W. passenger train at Frye station Thursday at noon, Frank Mollick was thrown along the tracks sustaining painful injuries. The train traveling toward Monongahela in charge of Conductor John Walters was pulling out from the station when Mollick attempted to hop on a step. He was thrown from the car and rolled near the wheels and was picked up unconscious by Joseph Roth who found him lying near the tracks. The ambulance was called but on its arrival the young man got up and limped away.

Deed Recorded.

October 21, 1915—Joseph M. Wagner, Charleroi to I. P. Hepler, Charleroi, a lot fronting 30 feet on Oakland avenue, Charleroi and extending back 167.19 feet; consideration $1.

Dollar Stretchers

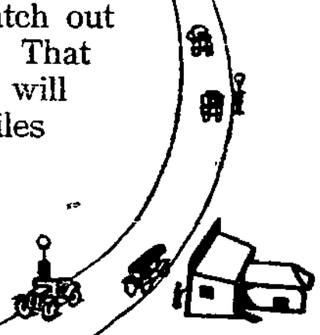
The Stuff that makes the motors go

When weather forecasts say "colder," watch out for rising barometer of gas consumption. That is, unless you use Atlantic Gasoline. It will give you practically the same number of miles per gallon as you got last August.

This is the gas to feed in all weathers. Its qualities are regulated so as to insure instant carburetion at low temperatures.



ATLANTIC GASOLINE

Atlantic Gasoline is made from the finest crude oil that flows. It's clean as filtered water. It leaves a minimum of carbon. It saves you expensive carburetor troubles, because carburetors on a steady diet of Atlantic Gas seldom need adjusting. Every gallon is exactly like the last—its uniform "boiling point" is a definite standard.

Be sure you say *Atlantic* Gasoline—it puts pep in your motor. All good garages sell Atlantic Gasoline and Atlantic trucks and tanks deliver any quantity, anywhere, any time.

POLARINE keeps upkeep down

Atlantic Polarine will feed at zero weather as freely as at high temperatures. It keeps cylinder walls covered with a film of oil—they don't get parched when you use Polarine.

Sheriff's Sale.

By virtue of a writ of Fieri Facias, issued out of the Court of Common Pleas of Washington County and to me directed on which inquisition and exemption are waived there will be exposed at Public Sale at the Sheriff's Sale Room in the Court House, Washington, Washington County, Pa., Saturday the 13th day of November, 1915, at 1:30 o'clock p. m. of said day, the following described real estate, viz.: All the right, title and interest of John and Mary E. Smith in and to all those two certain pieces or parcels of land situated in Bentleyville, Washington County, Pennsylvania, bounded and described as follows:

1st. Beginning at the southeast corner of the intersection of Bertram street and Oak street; thense East along said Oak street 120 feet to Gum alley; thence South along said Gum alley 120 feet to the corner of Lot No. 45; thence West along the line of said Lot No. 45 120 feet to Bertram street; thence North along said Bertram street 120 feet to the place of beginning.

Being Lots 42, 43 and 44 in the Oak plan of Lots of Bentleyville, Washington County Pennsylania, recorded in Plan Book, Vol 4, page 20

2nd. Beginning at a post on line of land of J. B. Piersol and at corner of land of the Salem Robinson Heirs; thence by said land of J. B. Pierson South 36 degrees 45 minutes West 705.4 feet to a stake; thence by same South 34 degrees 31 minutes West 742.5 feet to a stake on line of land of the heirs of Lavina B. Jones; thence by said land of the heirs of Lavina B. Jones. North 70 degrees West 71 feet to a stake; thence by same North 32 degrees 10 minutes West 93.3 feet to the East line of Gum alley; thence along said Eastern line of Gum alley North 36 degrees 40 minutes East 1439 feet to stake on line of land of the Salem Robinson Heirs; thence by said land of the Salem Robinson Heirs South 54 degrees 50 minutes East 130.8 feet to the place of beginning.

Containing 4.531 acres strict measure. per survey made in 1913.

Excepting and reserving to the owners thereof all the coal of the Pittsburg or River Vein underlying said land together with mining rights as conveyed by Hudson C. Crouch to John Simpson by deed dated February 25th, 1899 and recorded in Deed Book, Vol. 219, page 610.

Being the same premises conveyed to John Smith by deed of Roy J. Waychoff, et ux., dated June 24th 1913 and recorded in Washington County, Pennsylvania, Deed Book 407 page 177.

Taken in execution as the property of John Smith and Mary E. Smith at the suit of Bentleyville National Bank.

Sheriff.

Sheriff's Office, Washington, Pa., October 20, 1915. O-22-29-N-5

Sheriff's Sale.

By virtue of a writ of levari facias, sur mortgage issued out of the Court of Common Pleas of Washington County, and to me directed, there will be exposed at public sale at the Sheriff's Sale Room, Court House, Washington, Washington County, Pa., Saturday, the 6th day of November, 1915, at 1:30 o'clock p. m. of said day, the following described real estate, viz: All the right, title and interest of S. C. Faddis and C. C. Carter, terre-tenant, in and to all that certain piece or parcel of ground being lot numbered eight hundred and ninety-three (893) on the plot or plan of the Borough of Charleroi, County of Washington and State of Pennsylvania, as laid out by the Charleroi Land Company and recorded or to be recorded in the Recorder's office of Washington County aforesaid, said lot being bounded and described as follows, to-wit: Beginning at a point on the eastern side of Washington avenue as marked on said plan at the line of lot numbered eight hundred ninety-one (891) thereof; thence along the said side of Washington avenue northwestwardly, twenty-two feet to the line of lot numbered eight hundred and ninety-five (895) in the said plan and extending back at right angles with the line of said Washington avenue one hundred (100) feet to a fifteen-feet wide alley; thence along the line of said Alley on a line parallel with said Washington avenue, southwestwardly twenty-two (22) feet to the line of said lot numbered eight hundred and ninety-one (891) one hundred (100) feet to the place of beginning of said Washington avenue.

Being the same piece or parcel of and which was conveyed to T. D. Williamson by David M. McCloskey by his deed dated March 3, 1906, and recorded in Recorder's office of Washington County in Deed Book Volume 228, page 596. On said lot is erected a two-story frame dwelling house of seven rooms.

Taken in execution as the property of S. C. Faddis and C. C. Carter, terre-tenant at the suit of C. T. Dodd assignee of the First National Bank of Charleroi, Pa.

J. O. Guseman of Thomas station was a visitor with his daughter, Mrs. J. R. Chalfant over Thursday and Friday.

IN STERLING LIVES A GIRL

Who Suffered As Many Girls Do—Tells How She Found Relief.

Sterling, Conn.—"I am a girl of 22 years and I used to faint away every month and was very weak. I was also bothered a lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and decided to try it, and it has made me feel like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Mrs. JOHN TETREAULT, Box 116, Sterling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell her about my case. I was certainly in a bad condition as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVISA MYRES, Box 74, Massena, N. Y.

Young Girls, Heed This Advice.

Girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

To those who have been using other brands of butterine we would say you have so far missed the best of them all. Not the cheapest, but remember, positively the best. Cheap oleo has caused great prejudice against its use. Not so with Churngold. Once tried, always used. 115-tf
